Dear [NAME],

Thank you for stopping by and visiting with me recently at CVS. I have been trying to reach you for the past few weeks and haven't been able to get a hold of you. My name is [agent] and I am a health insurance agent with Coventry Individual Health Plans. I've been trying to reach you to see if you'd be interested in getting a quote for one of our affordable health insurance plans.

As you may know, most people in the United States must have health coverage or pay a fee. The recent changes in health care can make finding the "right choice" confusing, and you may think the health care you need is not in your budget. However, Coventry's reputation is based on having many affordable plans with benefit *options*, large networks of doctors, specialists and hospitals and a dedicated and knowledgeable customer service team. Please contact me so that we can discuss important information regarding the types of coverage and plans that provide the best value to you.

I know that health insurance is complex. I want to be your resource for answers to any health insurance question you have, so don't hesitate to call or email me. You can depend on me to give you the information you need to make a decision on health insurance that fits your needs and is a good value.

Thanks again. I look forward to speaking with you soon.

Regards,
