

Where to get your flu shot

Staying healthy this flu season is easy with an **Aetna Whole HealthSM** plan. That's because your flu shot is covered at no cost to you. You can either get it at your primary care doctor's office or go to a walk-in clinic. Or if your employer offers it onsite, that's a great choice, too.

To find an in-network, walk-in clinic just:

- Log in to your secure member website
- Click on "Find a Doctor, Dentist or Facility"
- Search for walk-in clinics
- Select a convenient location
